

FinAware — Flow: Money Plan

How the plan is worked out, previewed and saved (parts A and B), and the tools that run entirely in the browser (part C). The plan is rules, not a model: every rand it allocates can be traced to a rule.

How to read this diagram

- 1 Step
- Service to service
- ◇ Check
- To the ML service

- The shortfall case / worth knowing
- > Answer

- Request or next step
